As you are aware, that UGC from time to time instructed that all receipts and payments shall be made through online/Digital mode only. For the Academic Year 2016-17, the University had collected fee on behalf of Colleges through its portal. For the current Academic Year i.e. 2017-18, either the colleges shall make arrangement for online collection of fee through their bankers or if they are not in a position /not prepared to collect fee online, it is requested that the colleges may use online fee module of the University for which they may contact our technical team on e-mail id i.e. manishsingh@dusol.org and sharadksant@gmail.com immediately.
